## JIMMY SPENCER JR SPEAKING INVITATION

I do a variety of types of engagements and work hard to keep things simple for you.

I have been blessed to have a benefactor cover the cost of my travel. I pass the savings onto you. LWA covers my flight to and from your location. This allows me to come to your event at an extraordinary price.

**My standard Speaking Fee covers one daytime (12 hours) of events, while the House event is a 6 hour event.** House events are relational, relaxed and not keynote oriented.

A 2nd day of add-on events can maximize the primary event for an additional charge of \$250 for the entire 2nd day. [Learn more](#) about add-ons and creative ways to host an event for you community.
